FROM THE PRESIDENT'S DESK

Happy Fall Y'all!! This is my favorite time of year.

It is so good to be back together in person! Our meetings have continued to be well attended. It was especially nice when we started meeting again in person in June at Christine's home as we prepared for the yard sale. Thank you all for your continued support of our guild by your attendance and participation in our programs and education classes.

For now we will continue wearing our masks at meetings and forgoing refreshments. Kudos to Elizabeth and Fawn for presenting their programs while wearing their masks. We were able to hear them without any problems.

Marianne, Interim President

Quilts and Needle Arts Festival (Annual Guild Show) submitted by Diane Myers

Last Call for Entries! in the Quilts and Needle Arts Festival

Set-up October 20, Open to the public October 21 – 23

October 1 is the last official day to make your entries. If you are late, don't let that stop you. I am hoping to have at least one entry from each of our members; especially those who make entries every year. It benefits our chapter to make this successful. If you haven't made your entries either by emailing me at jrmyers@roadrunner.com or sending them to quiltsandneedlearts@gmail.com or calling me and simply telling me what you are entering, please do it right away. This is not a judged show and it does not cost to enter. It is a chance to display our best work and amaze people!

There will be an Education Display this year to showcase what kinds of learning went on during the past two pandemic years. If you participated in the Frenzy of Fringes (bead work) Group Correspondence Course, please enter you finished piece. I know several of you completed this and it would be impressive to see them all displayed together. It does not need to be framed- just pin it to a piece of foam core board so that it stands. There have been two workshops: Arrival of Spring (pulled thread) and the Lorna Bateman needle minder. If you have completed either of these please enter them for the display. And if you have finished your Home for the Bees box, please enter it. If you can't deliver your entries on October 20, bring them to a stitch in or the October meeting or contact me and we will make arrangements.

Our three raffle baskets are coming along. If you have anything with a winter theme to contribute, please contact Denise Waterfield and let her know. It can be anything with snowflakes or winter scenes on fabric, ornaments, paper napkins, a mug, etc. Christine's basket of quilting notebooks and fabrics is complete and it sounds like the tea themed basket put together by Maria and Marianne is filled. Tickets will be sold at the show and our portion will benefit Aurora House.

There is always a need for members to be at the show working on a project, creating interest, answering questions, and keeping an eye on our display. Please sign up for a time slot on Thursday, Friday, or Saturday, October 21 -23. It takes a lot of people to do this right.

October 20 Check in and set up is from 10 – 5.

October 21 shifts 9 – 1 or 1 – 5.

October 22 shifts 9 – 1 or 1 – 5.

October 23 shifts 9 – 1 or 1 – 5. Pick up pieces and take down display at 5.

Blackbird Designs Stitching Retreat Hosted by Craft Gallery in Findlay, Ohio on September 24-26th.

If you ever get a chance to attend a stitching event please take the opportunity!! I attended the Blackbird Designs Retreat with Diane Myers and Pat Ricker (guild members). We had a great time stitching exclusive patterns (in photo), enjoying each others company, eating great food, and meeting new stitching friends.

Photo is with Alma Allen– Blackbird Designer
We didn't want the weekend to end.

Wally is my 8ish year old stitching fur baby! While he is never interested in my needle or thread, he has been known to sleep with (see: on) a stitching project. His side makes a great floss catcher during a stitching session. You can always count on Wally to watch some Flosstube or critique your stitches!

Wally was a rescue from a NY shelter the day I was accepted to grad school. He lived with my parents while I finished up my last month of undergrad then made the trip with me to OH. Together we've made that trip countless times.

The craziest thing Wally ever did was steal a Greek yogurt off the counter right after I opened it. By steal I mean grabbed the edge of the cup in his mouth. I gasped, tried to grab the cup from him then had to chase this monster through the house and under the bed! I was in shock! Submitted by Fawn Caplandies

Programs

Program Chairperson: Fawn Caplandies

October

- **Scissor Fobs with Bonnie!** \$10 per scissor fob.

November

- **Butterfly Stumpwork finishing day.** Bring your moss, flowerpot and butterfly. If you have it, bring glue. I used a small dab of Aleenes Fabric glue to attached the moss to the flowerpot, but any glue will do. I'll bring some to the meeting too. I can help finalize how to finish the butterfly and assemble the final product. Your butterfly wings should be stitched. The program will go faster if your wings are cut out already, but if you're nervous I can talk you through it at the meeting. You will also need to bring the floss for your butterfly's abdomen color. If you plan to add an antenna or beads bring those too.

If you missed the last meeting and still want to participate let me know. I still have a couple \$4 kits left!

December

- **Ornament exchange and 2021 Goal Updates!**
- Get it finished— show us your fully finished pieces
- Ornament exchange — bring a fully stitched ornament to randomly exchange with others who stitch one too
- Goal updates— Did you accomplish the goal you set in January? Yes? Then show us! If no, then tell us how your stitching year looked instead.
